

The Essentials of Small Business Success

A one day seminar

Who we are:

A company specifically set up to provide training for small and micro sized firms in the areas of finance and Health and Safety. The Directors have all run their own small firms so approach the subject from a practical angle.

What we do:

As well as running seminars we provide training in first aid and related safety matters to both individuals and organisations. We run a web site which has useful information on these topics which can be downloaded. The web address is www.chipfast.co.uk

Our clients include:

North Lanarkshire Council
IAB
MacDonalds
Givaudan
Croda
Transactis

Save money, work in safety

The Essentials of Small Business Success

One day seminar

Bridge House, Winch Road
Gayton, Norfolk PE32 1QP
on the 25 November 2011

Delegate rate - £95.00 per person

Who is it for:

All owners or partners in micro and small business or those responsible for the management of them

Programme:

- ✗ The difference between cash flow and profit
- ✗ The importance of working capital
- ✗ The cost of borrowing
- ✗ How to choose an accountant
- ✗ What is a risk assessment for Health and Safety
- ✗ Fire regulations
- ✗ Paperwork and equipment

The Presenters:

Ian Irwin

Ian will be handling the financial modules. He has run his own small business advising small firms on accounting problems for over 20 years. He is a past Chairman of the Institute of Financial Accountants and is currently a member of the Council of the International Association of Book-keepers.

Harry Keown

Harry will be speaking about health and safety; he has been involved in training since 1974 in both the police service and following retirement within his own business. He has written about health and safety for a nationally distributed magazine and is an executive member of the First Aid Council for Training, an organisation he has been representing since 1997.
